About Us

Founded in 1946 by the then District Collector, Mr. B.G. Rao, and his wife Prof. Amiya Rao (an Oxonian), Berhampore Girls' College has emerged as one of the most distinctive institutions in the educational landscape of West Bengal. The college's academic excellence has been spearheaded by NAAC, which recently accredited the institution with a Grade 'A'.

The location of the institute in the heart of Berhampore, the district town, has enabled generations of young learners with creative minds to pursue education at this esteemed college. The college has always imparted education that is deeply connected to the ethical values and practices of this country, while also addressing the core elements of the curriculum.

The motto of the institute is "SA VIDYA YA BIMUKTAYE," an outlook that is both observed and practiced. The vision of the institution is to attain the five E's required for fulfilling the academic journey of our dear students. These are: "To Enlighten, Empower, Enrich, Explore, and Enable." Our mission, guided by the motto "Sa Vidya Ya Vimuktaye," is to impart an eclectic education that integrates all aspects of life—physical, material, emotional, moral, and spiritual.

The college empowers students with skill development programs, gender sensitization initiatives, and diverse learning opportunities. Through research, projects, and extracurricular activities, we equip our students with the competencies demanded by the job market. We additionally advocate for inclusivity and holistic development, enabling them to grasp moral principles and values to become responsible citizens.

Top performers are awarded college prizes, as well as many memorial and cash prizes. Upholding the dreams of the legendary founders, the institute is striving to promote its noble goal of quality-based higher education while addressing the global challenges of a rapidly changing society.

Currently, the College offers three Post Graduate Programs (Bengali, English, and History) and twenty Major Courses: ten B.A. Major Courses (Bengali, English, Sanskrit, Philosophy, Sociology, History, Political Science, Physical Education, Geography, and Economics) and ten B.Sc. Major Courses (Physics, Chemistry, Mathematics, Zoology, Physiology, Botany, Environmental Science, Computer Science, Geography, and Economics).

The College campus is fully Wi-Fi enabled and operates using sustainable energy sources, in addition to other resources. The green campus, with its rich biodiversity, has become a fertile breeding ground for various species of animals and birds. The college library, equipped with RFID and KOHA software, is a treasure trove of books, journals, research papers, doctoral theses, and other student-friendly Open Educational Resources (OER). The campus also includes 24 ICT-enabled classrooms, a Language Lab, a Computer Centre, 22 Laboratories with proper instrumentation facilities, an Auditorium, two Conference Halls, a Health Centre, a fully air-conditioned students' Common Room, and both enclosed and open cafeterias, among other facilities.

A proactive Research and Development Cell, along with NCC and NSS units, fosters an environment of academic excellence and good mental health. The college's cultural and sports events are proud moments, consistently bringing awards, recognitions, and laurels to our beloved Bidyaniketan. Established with the singular aim of shaping women's identities, the college provides a secure campus environment for both students and staff. The two hostel campuses, with a total boarding capacity of 400, and 10 staff quarters, testify to this commitment.

Numerous sub-committees oversee the infrastructure, academic, and administrative functions of the institute, while the statutory cells sustain a democratic environment for students and faculty. Internship and placement opportunities, both on-campus and beyond, have opened global avenues for students. In alignment with the National Education Policy 2020 (NEP), the college has incorporated IKS (Indian Knowledge Systems) into the core curriculum, organizing regular academic programs on this knowledge domain.

Several centrally and departmentally run Add-on/Certificate/Value-added courses have allowed our students to explore educational experiences beyond the existing curriculum. Many interactive and functional platforms are available for students and faculty, such as LMS, MCQ Portals, E-Content Preparation, and access to UGC knowledge-sharing links like SWAYAM and e-PGPathshala. The online feedback system for stakeholders helps measure and address any gaps or deficiencies.

The Dress Code and code of conduct for students, along with fully functional codes of conduct for both employers and employees, create a friendly atmosphere in an institution that operates on strict principles. Students admitted to the college are eligible for various Government and Non-Government scholarships.

The IQAC of the college is fully operational, with active participation from student representatives. The Governing Body of the college remains dedicated to creating and sustaining an academic atmosphere with sufficient infrastructure and a vibrant environment within the campus.

Hostel Facilities

OLD HOSTEL (Girls) - Generator, living room, Wi-Fi, Computer) - Approximate Yearly Fees Rs. 12500.00HOSTEL AVAILABLE
